

Union Church of San Juan

Disaster Relief Task Force (DRTF)

COVID-19

If you have fever, cough and difficulty breathing, seek medical attention and call your doctor in advance. Follow the instructions of health and governmental authorities.

Remember:

- People react differently to the virus.
- Assume the virus is in your community.
- Protect yourselves and others.
- Learn about assistance and funds available from private and non-profit organizations and from your municipality, state and federal governments.
- Seek help if you start feeling in distress.
- Keep connected with relatives, neighbors and friends.
